Different religions and the true path

1. Hinduism

It is believed that most of the religious books of India were composed in 400 BC. Not going too much into its details. However, a little thought is required. People of that time lived according to Vedanta based on Chaturveda. That religion continued till 1700 AD. After that it came to be known as Hinduism. In the Chaturveda and the Upanishads we find vague indications of atonement and harmony with the Satyaveda. Jainism, Buddhism and Sikhism also exist in India. Hindu Gods have been mentioned in previous chapters.

2. Judaism

Judaism was formed according to the laws given by Jehovah God through Moses to the twelve tribes (children) of Jacob, the son of Isaac, the son of Abraham. One of them was a man named Judah. The name means praise.*(Genesis 29:35 And she conceived again, and bare a son; and she said, Now I will praise the LORD; therefore she called his name Judah. And she ceased to bear child.)*

Only God is worthy of praise. It is the tribe from which Jesus Christ, who is worshiped by the world and worthy of praise, was born. The name of Judah became important because it was the tribe from which the one being praised came. But when the One worthy of praise came, Jesus Christ called the Jew to follow Him, renouncing even that religion. He told that parable for the atonement of the man who commits sin. By that, Jesus meant to re-create the man who fulfills

the righteousness of the law in every human being.

If we examine the structure of the Bible the book, we can see that God's plan is to be fulfilled at a certain time. It is only through the timelines that humans are allowed.

When we study the book of Genesis in the Old Testament, we can see that Abraham, who heard the voice of God, had no children. Ishmael was the son born to Hagar, a maidservant, at the insistence of his wife Sarah. Abraham had already received a promise that 'through you all nations will be blessed.'*(Genesis 12:33 I will bless those who bless you. I will curse those who curse you; in you all the families of the earth will be blessed.)*

But it was fulfilled when Isaac was born when he was a hundred years old. From Ishmael, the Qurayshi dynasty was formed. Islam was formed from them. Jews and Christians are known as descendants of Isaac, the promised seed.

The ancient, eternal, wonderful God of Israel is the God who fulfills His promises to men in due time. Because God's plan is wonderful, the Jewish system that we saw between 2000 and 400 BC was only a shadow of the good things to come. What was seen in it was not the true nature of things. The redemption of Israel from Egypt under the leadership of Moses and the life in Canaan is a shadow of the redemption of mankind from sin and the entry into heaven under the leadership of Jesus. The anointed Israel, who had not developed faith in the word they had heard that they would reach Canaan, perished in the desert journey.

Of the 20,000,00 people who left Egypt, only two entered Canaan. The rest were born in the desert.

Jesus Christ was a prophet like Moses. Above all, when Jesus was revealed, God himself, who allowed sin, took human form to redeem man from the slavery of sin. It was there that God's justice and the judgment of sin could be seen. The Holy Spirit brings awareness of sin, righteousness, and judgment.***(John 16:8 He will come and convict the world of sin, righteousness, and judgment)***

The man who believes in the judgment of the Son recognizes the sin of human flesh and the righteousness that Jesus Christ executes in it, and the judgment of man's sin is the faith of men in that testimony on the cross.***(Psalms 9:16 Jehovah has revealed himself and executed judgment; the wicked is snared in the work of his own hands. Strings. Selah.)(John 16:8-11 He will come and convict the world of sin, of righteousness, and of judgment. 9 Of sin, because they do not believe in me, 10 Of sin, because I go to the Father, and you will see me no more. 11 Of righteousness, because the prince of this world has been judged.)***

Animal babies are born with teeth in their mouths. If a human child is born like that, the nursing mother will have to suffer. Because babies without teeth are growing up in every home, biting their mother's nipples. According to the descriptions in the Qur'an, the way of Christ shows how this great enmity, known as the lust of the flesh or the disease of the heart, which man acts knowingly and unknowingly, entered into man and how it is removed. This is not something that can be understood scientifically. (Science can be felt like applying lime on a betel leaf, but God is not something that can be touched.) Only those who come under God's system of faith given

by God according to God's will can produce the fruit of that way of faith. It is just that God examines the human intelligence acquired by association with the devil through invisible faith.

The New Testament reveals that the Jewish system called the Law ends with John the Baptist because the complete atonement that was not found in Judaism is found in Christ.*(Matthew 11:13 All the prophets and the law prophesied until John.)*

3. The Way of Christ

Any But each religion takes different views. But what faith is interpreted is in the second part of the book of truth, the New Testament.*(Hebrews 11:1 Now faith is the substance of things hoped for, the evidence of things not seen.)*

its We have seen that the power that breaks the law is disease of the heart or passions of the flesh. Muhammad says this.*(Qur'an Sura 33 Ahsab 32 'Wives of the Prophet, you are not like any of the other women. If you live in fear. So do not be gentle in your speech with other men. For then the sick of heart may lust'.)*

(Romans 7:8 'Sin When given the opportunity, by command, all kinds of desire arose in me.'* Such *('lust conceives and gives birth to sin; "Sin is filled with death." James 1:15)

He who has been removed from the heart disease (sin) that caused such lust can even talk to virgins without lust.*(Job 31:1 I have made a covenant with mine eyes; how then shall I look upon a virgin?)*

The healing of the heart that God gives through faith is beautiful. Matthew writes what Jesus Christ said.*(Matthew 5:8 'Blessed are the pure in heart; they shall see God').*

The study of this way of faith is not complete among today's Christians. Because it is the inner faith that makes a man a new creation. When Jesus' disciples walked with him, what Christianity was not revealed to them. Anyone can check if there are Christians today. Just to be himself. Christian is not a noun. It is a condition for man to emanate the divine nature.

Human nature is sinful. It is that nature that causes its actions to appear in man from childhood even in his dreams. Muhammad writes like this.'According to the nature with which Allah has created man . There is no change in Allah's creation. When things were like this, the prophet could not keep his natural pure nature. Shouldn't the prophet who calls us to live according to that nature live like that?

***(Quran 28 Surah Fath 2,3 says: May Allah forgive you your past and future mistakes and guide you to the right path.)*What more evidence is needed to prove that the prophet who knows pure nature was led by lust (sin) by another power?**

The mystery of faith will help us not to be touched by the evil one and not to be tempted. Muslim brothers are also obliged to accept the faith given by Jesus. The sin of heart disease and the lust caused by that sin will not come to those who believe in Jesus. That divinity makes the believer exempt from the law. Godliness means that the Christian is like Jesus.

God gave the laws, and man is still under the law because man is not good. Whatever religion you are under does not make you good.

Because religion is a system with rules. But the way of Christ is the way of good people. There are no rules. The way is not to obey laws but to obey faith. In that way God and man travel together. The meaning of the name 'Immanuel' is God with us. But there are many nominal Christians on this earth who do not walk with God.

Knowledge of such a way of faith is lacking among people, including Christians today. They see Christians who are sinners, idolaters, drunken brawlers, who display their flesh in beauty contests, who destroy the family and nature.

Christian worship is the faith life of that day. It does not worship Mary, saints, men or idols. The souls are worshiping the true God in the Spirit of God and in Christ.

No Islamic priest or Hindu Leaders who scientifically questions the accuracy of the Bible can find the atonement provided by that 'New Law'.

Triple talaq and polygamy are not laws given by God. That is why women in Islam hate it. But none of the believer under the New Testament are hated the new law. The righteousness of those laws comes out of man's faith. Thus the believer becomes good and lives on earth. (A believer is one who does not feel guilty and does not need a sense of justice.)

The linguistic limitations of human beings can be seen in the Bible . All languages have evolved into their present form. That is why there are linguistic ambiguities in Bible . However, its mystery is complete.

Jesus Christ communicated the mysterious things before the foundation of the world through parables. That's the characteristic of Christ's teaching. The Christian leadership could not properly learn the mystery of that parable. Islam and Hindu religious leaders are also writing and preaching that the Bible is not the Word of God. What Jesus wanted through parables is the principle that the destruction of sin should be like Christ and the wicked died on the cross. Believers should know it well..

When the light begins to shine, the shadow of many things is seen. But when that light reaches the top, the shadow is not visible. In the same way, Judaism and other religions are only shadows. There are imperfections and ambiguities in the records and studies of those systems. When intellectuals study something, they do not study in the shadow of anything. But if the study is in light, things will be understood clearly. Perfection can be seen in the light. The sinful man becomes as He said. His followers will be perfect. Let's study the clarity of parables told by him. Let's check it with a poem.

The poet wrote, 'O king, your face shines like the sun'. It is clear that the king's face, which shines like the sun, is not the sun. So is the parable of death. His death is true and the death of man has not happened. That is why the search for atonement with scientific support has not been successful. Islam therefore does not accept atonement in Christ. Other religions too! Neither human intellect,

logic nor science can touch God. But the Gentiles can see and experience God through the false gospel.

Humans have written many kinds of books. A person of little intelligence cannot understand all the books. So are religious books. But the Qur'an is a book that surrenders to little intelligence. But Bible is not so easy. God must open the mind to reveal its secrets.*(Luke 24:45 opened their minds to recognize the scriptures.)*

Hosea, whose name means deliverance and salvation, prophesies as follows.

(Who is wise, and he shall understand these things? prudent, and he shall know them? for the ways of the LORD are right, and the just shall walk in them: but the transgressors shall fall therein.Hosea 14:9)

Truth and reality.

The word 'truth' in the Greek language means revealed, manifest. But the Hebrew has a broader meaning of dependable. Jesus Christ is therefore dependable (truth) for atonement. John uses the word truth to refer to the highest atonement for mankind. Yohanan gives the meaning of supreme in Sanskrit language. Do Hindu and Islamic scriptures show the way to help man to live a true life? Is it not the solution of the continuing sin that can be seen in it? But does the New Testament reveal eternal atonement and a new way of faith to live without sin? If the Qur'an does so, did the author of that book lead such a righteous life? Is it the true life to commit sin continuously and to atone according to the scriptures?

Surah Muhammad is the forty-seventh chapter of the Qur'an written by the Prophet Muhammad in his own name. Its fourth verse talks about killing the unbelievers. Disbelievers are those who do not believe in Allah and His Messenger. Is any kind of killing a true life? But Jesus wants all people to be saved and have eternal life.
(Muhammad 47:4When you encounter those who disbelieve, strike at their necks. Then, when you have routed them, bind them firmly. Then, either release them by grace, or by ransom, until war lays down its burdens. Had God willed, He could have defeated them Himself, but He thus tests some of you by means of others. As for those who are killed in the way of God, He will not let their deeds go to waste.)
(John 6:39-40 This is the will of him that sent me, that I should not lose anything that he has given me, and raise up all at the last day. 40 It is my Father's will that everyone who looks at the Son and believes in him should have eternal life; I will raise him up at the last day. 1 Timothy 2:4 He desires all men to be saved and to come to the knowledge of the truth.)

As an example,in Quran, IS terrorists are making threats to mankind in these times by revealing the policy of Quran. The Prophet has also said that it is not a waste to slaughter and be killed in the way of Allah. How can Islam be a way of peace when things are like this? But it is also noteworthy that Jesus does not call for man to destroy those who do not believe in Jesus. Jesus taught men the extremism of each man to rid himself of such tendencies to harm others. Through it, Jesus Christ aims for a society without evil. Many of those who are called receive such a faith, but because of the lack of consistency in their faith, they are found to be sinning again. Although unintentional sins are forgiven by God, the Word again reminds the believer to live without sin from a steadfast and healthy faith. But such a stable life

arises in humans as a result of faith and endurance.*(Romans 14:23 Everything that does not come from faith is sin. 1 John 5:18,19 And we know that no one who is born of God commits sin; He who is born of God keeps to himself, and the evil one will not touch him. 19 We know that we are from God. The whole world belongs to the evil one.)*

Brothers of Islam, compare the teachings, lives and testimonies of the two prophets.

The word reality means subject to change. It is a fact that man is a sinner. He is obliged to turn away from it. The heavens and the earth and everything in them are realities. All this will change. But God and those who do His will remain forever. The Word will help us to live every day in the truth by believing in Jesus and leaving the reality that sinful man with carnal desires is able to live in the truth and give way to evil.*(He said, "If you abide in my word, you will truly be my disciples, and you will know the truth and the truth will set you free." John 8:32)*

If those who have accepted the name of Christians are still living as slaves of willful sins, then they are those who have not known the above-mentioned word. Jesus lived a true, sinless, life. Muhammad repeats in the Qur'an the secret of God's love that Allah is forgiving, because he too lives under sin. Jesus Christ, who came to lead people to the truth, is asking like this.*('Which of you makes me aware of sin'? John 8:46)*

Even Prophet Muhammad had to believe in Jesus and receive forgiveness. Because human life under the law ended with John the Baptist, the prophet taught the law again. The Word reveals that the

righteousness of God's law does not proceed from sinful man. The New Testament, which helps man to produce a righteous life, shows that Christianity is not 'Christianity the religion', but the way of Christ or the way of faith.***(Acts 9:2 And if any men or women of this way were found in Damascus, they obtained authority from him for the churches there to arrest them and bring them to Jerusalem.)***

4. Islam (and comparison)

It is a religion that tries to lower the Christian way. They have been teaching that the Bible is a book that has undergone corrections and tampering. But they use that book to authenticate their sermons. They can't even show the baseline when they say corrections have been made. (The Qur'an says that the Prophet had it.)

The Qur'an was written in the 6th century AD when the Bible existed. After that, the religion named Islam (peace) was formed. At that time there was no religion called Hinduism in India. Men's opinions on divine matters differ. Because sinful man even finds solutions to evil specifically for different purposes from different angles. That is why there are different religions (opinions) in the world.***(Quran Chapter 109 Surah Kafirun:6 s*****ays so*****?'You have your religion. I have my religion too'.)***

Prophet Muhammad is also seen in the state of not being able to reach a completeness about the things in Christ and not being able to completely reject and accept it.

Qur'an 18 Surah Kahf verse 27 says ***'Recite the Book from your Lord which you have been taught. There is no one who can change His***

words'.

It is clear that this verse refers to the Bible which the Prophet was reading. The Islamic leadership, who are still searching for its physical correctness while it is not possible for anyone to make corrections, are those who are traveling towards the foolish heaven.

(Quran 7 Surah Ataf 157 **says: '*Those who follow the Messenger, the Unlettered Prophet, whom they find mentioned in the Torah and the Gospel in their possession. He directs them to righteousness, and deters them from evil, and allows for them all good things, and prohibits for them wickedness, and unloads the burdens and the shackles that are upon them. Those who believe in him, and respect him, and support him, and follow the light that came down with him—these are the successful.)*From this statement, the prophet should have believed in him and removed the burden of sin and the bondage of sin. Didn't the prophet say that those who believe in him will experience eternal life. Brothers of Islam, you seekers of God are in trouble. Make a decision today. On the other hand, in Islam, there is no way, signs or testimonies to lead a true life. On the other hand, the monotheism of the Bible is presented with the support of science along with the commandments of life. In particular, learning poems is also facilitated by using the human skills of memorization. This method can also be seen in Bible. Among them are Job, Psalms, Proverbs, Ecclesiastes, Song of Songs and Lamentations. But memorizing the English translation of Bible is not so easy. That is why Jehovah asks people to 'search and read in Jehovah's book'. It is in their own language.*(Isaiah 34:16 Search and read in the book of Yahweh; nothing is missing in them; nothing is without a partner; His mouth commanded; His Spirit brought them together. 1Corinthians14:10***

There are many different languages in the world, not one of them is without proof.)

How loving and exalted God is. The most meek of the Old Testament worshipers was God's servant Moses. But the wickedness of the wrath of sin that dwelt in him prevented him from entering Canaan. How miserable are the evils of sin?

Moses and Jesus are the ones who have successfully fulfilled their mission in providing deliverance (liberation) to humans. Only one is human slavery and the other is sin slavery.

Jehovah's plan aims to enter into eternal life only those who believe in Christ. This type of belief can be seen in abundance in the Old Testament.

The way of Christ or the way of faith is the way in which God and man meet at the cross. It is the way to walk together with God by dying on the cross and rising again for sin. The meaning of the name Immanuel is God with us.***(Matthew 1:22 "The virgin shall conceive and bear a son, and shall call his name Immanuel, which means God with us;")***

As written in the Qur'an, God, regenerates man as a Son of God with the spirit of God, above what he was before he was humbled, above a creature . Christ himself, who made man fall into sin, took the punishment in his own human body and died on the cross. This amazing idea is not accepted by human intelligence or science. The psalmist describes it this way, ***('Jehovah has revealed himself and***

executed judgment; the wicked is entangled in the work of his own hands.Strings. Selah'. Psalms 9:16)

The demonic knowledge of good and evil that man has acquired through disobeying the commandments is destroyed in man and he becomes a new creation. Through this, the new soul is able to lead a true life with faith having the spirit of Christ; who was not deceived by the devil, who a soul in the beginning.

Belief in God in the Bible.

Belief in God in the Old Testament and in the New Testament is different. The people we see in the book of Genesis, who did not receive the commandments, accepted and believed in the invisible God and lived with glory. Sin was not counted in their lives apart from the commandments. But God forgave those who received the commandments even when they sinned, because God knows that sin dwells in them. God punished the unrepentant, hard-hearted Israelites.

In the New Testament, repentance is something that God accepts, but God does not forgive a life of continued sin. The man who has been stripped of the sinful flesh that causes sin is appointed to produce the fruit of his faith. Unlike other religious texts, including Judaism, the New Testament only provides a new interpretation of faith. And this faith is to produce lasting good fruit in life. It is the act of making man righteous by removing the flesh of sin. There is nothing in it that cannot be accepted by the human mind.*('The God who made the world and all that is in it, being the Lord of heaven and earth, does not dwell*

in temples made by hands. He does not demand service by human hands as if He were the knee of something.' Acts 17:24,25)

Man should worship God in His Spirit and in Christ, which God gives through Christ.

*(John 4:23-24 The hour is coming when true worshipers will worship the Father in *spirit and in *Truth; now it has come. The Father wants those who worship him to be like this. 24 God is Spirit; those who worship him must worship in *spirit and *Truth.)*
***soul *Christ**

God's desire is for man to change to the human nature revealed in Christ. Toward that fulfillment the gospel (atonement, good news) leads man. God has given man the freedom to accept and reject this mystery of faith. Theology destroys anthropology.
(1 Corinthians 1:19-21 It is written, "I will destroy the wisdom of the wise and make the understanding of the wise weak." 20 Where is the wise man? Where is the scribe? Where is the reasoner of this world? Has not God made foolish the wisdom of the world? 21 Those who believe in the wisdom of God because the world does not know God through wisdom. God was pleased to save by the foolishness of the preaching.)

God in Bible is one. When He was revealed in human form like Adam in the beginning, He was incarnated as a Son. His soul became the Holy Spirit who was to dwell in men through him. It is unity. As God dwelt in the Son, Christ and the Holy Spirit dwelt in men to produce full life in those who keep faith according to the law.

In the system of human life, we can see the system of God, soul, and body. Woman is the symbol of soul and man is the symbol of body(sin). A woman's life (soul) is initially under the protection of her father (God). There is no sin (sexuality) in that relationship. But she is later transferred to the custody of her husband (devil, body). And in that relationship there is sin (sexuality). Then after the death of the husband, the woman (soul) is transferred under the protection of the Son (Christ) who gave birth to her. There she is set free from sin (sexuality) and becomes a widow (one who relies on God). Anyone who thinks intelligently can accept this mystery and get freedom from the husband called body(devil,sin) through death and transfer the soul under the protection of the Son like Father's protection.*('If the Son makes you free, you will be free indeed'.John 8:36)*

The human way of life is a shadow of bringing all souls under the protection of the Son Jesus Christ. Believe and be saved.God has no physical offspring. The fleshly offspring is sin : Christ is the incarnation of perfect soul and God!*(He has said that what is born of flesh is flesh and what is born of Spirit is soul. 1 John 3:6)*

The Qur'an also admits that his birth was miraculous. We have seen that a perfect woman came from a pure man through the work of God. We have also seen the birth of a pure man from a virgin through the act of God. In the same way, God wants pure men to be through Christ, who is a pure man. It is through it that human life is completely regulated. Let's believe. Let's get salvation.... Let this writer do the same as the good Master did. Human life is something that happens like a dream. People wake up in shock after dreaming in their sleep and cry out of sadness. The unthinkable also happens in human life. Remember the past life like a dream and repent. What

happens in sleep does not happen in conscious man. Through understanding and repentance, God wants something in man. Let only what God wants happen in our lives.
Love in Christ

The personality of Christ :-

The churches look at his personality from different angles. While doing so, there are those who teach those things and those who do not. Orthodox churches such as the Catholic Church refer only to His divinity and leave out His humanity. They do not learn the necessity of conforming to His death because confession provides the solution for sins. So there is no need to teach them His personality. But the members of other churchesdo studying his personality. There are three types of comments in it.

1. He was like a man. 2. He was a perfect man who could not sin. 3. He was the one who put to death the carnal desires that lead to sin.

While human interpretations are like this, the commentators have recorded that He is without sin, He is the One who has not committed sin, He is the One who does not know sin, and He has been tested in things other than sin. Out of the three opinions mentioned above, the second one is the correct one. He was a good man who lived by the justice of the law. His was not a life lived according to commandments. While He was the Lord of the law, He only did its justice. His eyes were as innocent as a child's. That is why he lived without being involved in the temptations of sin. A birth different from human birth also helped him to live without lust . He said that

through faith, man can also enter into this kind of special uniqueness that he saw in him. By receiving God's boon, the young generation can surrender their celibacy and virginity to God and become like the Master. Family members can lead a similarly fulfilling life.
("He who is perfect in practice becomes all like the Master". Matthew 10:25; Luke 6:40)

To whom is the gospel unwise?

The vast majority of people in the world live under some form of religion. Atheists—rationalists—are few and far between. Everyone learns about their religion from childhood and they think that what they learn is right. But those who learn more about spirituality personally seek wisdom (knowledge) from other religious texts. Only then are they able to discover the incompleteness of their religion. But for those who cry that the religion they adopted is the most correct, it is unreasonable to reject their own religious ceremonies and believe in the testimony given by Christ for atonement. When the mystery of Christ's testimony is explained, it becomes foolishness to them because their teachers do not explain such a mystery. Jesus said that anyone who wants to follow him is obliged to renounce his own religious ideas and follow him with the cross. But Christianity does not exhort man to do this literally. All denominations within Christianity are religions. That is why they are not ready to accept the way of faith. Moreover, every religion has many leaders and positions and it is the devil's aim to destroy unity. Today's Christendom is the world with these kinds of Christian churches. ***(There is no God who crosses the line without remaining in the doctrine of Christ. 2 John 9)***

A few things about baptism, which is part of the Christian faith.

Baptism is a central concept of various religions. Almost all living things are seen being baptized in water. It can also be seen that a relief is obtained by fully immersing the body in water. It also shows that while the hot one gets relief, the dirty one gets purification. But in the Old Testament, in the second book of Kings, chapter five, it is written about a man who was healed of leprosy.

('And he went and dipped himself in the Jordan seven times according to the word of the man of God; His body became like that of a little boy; He became clean'. 2 Kings 5:14)

This type of activity is rare today. But the New Testament shows that the sin of leprosy is to be washed away.

There are two types of baptism in the New Testament.

(1). The baptism of John the Baptist.

The word repentance can be said to mean a change of mind. It can also be said to move from the current position to another position. Through the baptism given by John, by confessing their sins, they raise their minds to be known to Jesus.*(Psalms 25:1 Lord, unto thee I lift up my heart;)*

Here we see the mind of sinful man and the mind washed by confession. In fact, one can see the change in the person's mind here. The fifteenth verse of Mark 1 says this.
'Repent and believe in the gospel'.

Repentance is the first step for man to believe in the gospel. When the person who undergoes the baptism of repentance knows what kind of atonement Jesus gives, and when it is revealed that it is one of faith, that man accepts the baptism of faith as a symbol of the atonement through death. It can be received in the single name of the Father, the Son, the Holy Spirit, or in the name of Jesus. Through this baptism, the Word regenerates a new man in the soul who is not subject to sin. The apostle Paul interprets it this way…*(Romans 6:6-7 'We know that our old self was crucified with him so that the body of sin might be put away so that we would no longer be slaves to sin. Thus the dead man is freed from sin'.)*

No man is crucified with Christ. But through the symbol of baptism, man receives by faith the condition of death, burial, and resurrection. He is removed from the position of sinner and exalted to the position of righteous.*Sinner …….>Baptism ....>Righteous*

John was baptized to know Christ. This is the same way every human being should hear about Jesus today. But people today see the gospel as more about gaining the world than about forgiveness. Therefore, there are those who argue that baptism of faith is not even necessary. Babies have no sense of sin. John the Baptist saw a row of adult men. It is God's desire that every sinful adult be baptized. Therefore, those of these times should repent and accept the baptism of faith. Children can be raised in the knowledge of right and wrong until they grow up

and become aware of sin. All human beings are descendants of Adam and children of the devil. That is why the word invites man to take hold of him and believe in his atoning power and become children of God.*(John 1:12 He gave authority to all who took him by the hand and believed in his name to become sons of God.)*

If man is born as son of God, why should he become son of God once again?Human birth is mixed with sin. What Christ does is severing the relationship with that sin. Thus, he is raised from the position of being closed in sin by God himself after the baptism of faith. But John the Baptist was filled with the Holy Spirit by birth, but he did not receive the atonement through Christ by faith. Therefore he will be little in the kingdom of God.*(Matthew 11:11 Among those born of women there has not risen a greater than John the Baptist; I tell you the truth, he is the least in the kingdom of heaven, or the greatest.)*

(2) Baptism of faith.

It is a symbol of sinful man being dead and buried with Christ. The resurrection of man is not literal, but parable and faith. The Word testifies that the resurrected man walks in renewal of life.*(Romans 6:4-5 So we became partakers of his death and were buried with him by baptism; just as Christ died and rose again by the glory of the Father, so we too should walk in the newness of life. 5 If we are united with the likeness of his death, we will be united with the likeness of the resurrection.)*

The life of faith that helps us walk in the renewal is a sinless way of life.

The baptism of Jesus.

There are various revelations about this baptism among believers. Jesus' mind was elevated to the mind of God just as the mind of humans was changed through the baptism of John the Baptist. God, who is a partaker of the human plan, is completely human except for sin (sexuality). To be born of a woman is not a disgrace, as the commentators of the Qur'an allege. A woman is a bad omen for them. Physically woman according to the Word is the wife and the breast is the source of food for the child. For a suckling child, it is once justice and then injustice. Spiritually the woman is the soul and the breasts are the form of the Word. In the growth of salvation, those who are babies in the Word are brought up by giving them pure milk that becomes the Word.*(Song of Solomon 8:8 We have a little sister; She has no breasts; What will we do for our sister on her wedding day?)*

Jesus will possess the souls with the sign of salvation (knowledge of the Word). He is showing people that God leads to a state where there is no sin through the sin of man. Jesus lived fully human until he was thirty years old. Jesus had a mind and a body capable of bringing forth the righteousness of the law.

But Jesus was lifted up from that position to receive the mind of God. Just as sinful human personality is transformed into fully human personality through human baptism, so fully human personality is transformed into fully divine personality through Jesus' baptism. The same justice for man applies to Christ. The same applies to Jesus, just as a man born of a mother dies once and then goes to judgment. Thus God allows man to elevate Jesus, a man, to the status of God. Dear child, do you like to elevate Jesus to the status of God? Confess your

sins and learn about Him. Get baptized. Be ye lifted up also. Live righteously. Put this sentence...*('We have a little sister; She has no breasts; What shall we do for our sister on the day of marriage? Song of Solomon 8:8)*

When Christ, who is the bridegroom of the soul, comes to marry you, check if he has made a marriage engagement in you so that he can marry you. *(2 Corinthian 11:2 For I have espoused you to one husband, that I may present you as a chaste virgin to Christ.)*

***('Unto us a child is born; A son has been given to us; The dominion shall be upon his shoulders; He will be called Minister of Miracles, Mighty God, Everlasting Father, Prince of Peace. Isaiah 9:6)* Blessed is the one who has grown up as a child, lived as an obedient son, is a wonderful minister who has dominion over everything, a mighty God, an eternal father, and is willing to surrender to his counsel.**

Need silk clothes and jewelry?

Because the sinful body is the cause of the sinful life, adorning such a sinful body causes others to covet it;

('Woe to the man who stumbles. It would be better for him to hang a large stone around his neck and lower him into the depths of the sea'. Matthew 18:6-7, 1Peter 3:3 Your adornment is not external, such as braiding your hair, wearing gold, and wearing clothes, 4 but the inner man of an incorruptible heart, a meek and slow mind; It is precious in the sight of God.)

The mystery of Trinity

According to theBible man is created in the image of God.*(Genesis 1:27 Thus God created man in his own image, in the image of God created he him, male and female created he them.)*

This can also be called the likeness of God. To compare one thing to another is a simile. (Man is like God, so Jesus was like man.) Jesus spoke all things through parables.
(Matthew 13:35 "I will open my mouth to speak a parable; I will utter a secret from the foundation of the world" to fulfill what the prophet said.)

According to the biblical revelation, there are two persons in man. It is the sin and soul. Adam was made beautiful. It was soul (spirit). When Adam joined the devil, he was made low. (Adam and Eve are symbols of the sin and the soul. While they are two persons, their name is Adam.)*(Genesis 5:2 He blessed them on the day of creation and named them Adam.)*Here is an example: (*2Samuel 12:1-5nd the LORD sent Nathan unto David. And he came unto him, and said unto him, There were two men in one city; the one rich, and the other poor.2 The rich man had exceeding many flocks and herds:*
3 But the poor man had nothing, save one little ewe lamb, which he had bought and nourished up: and it grew up together with him, and with his children; it did eat of his own meat, and drank of his own cup, and lay in his bosom, and was unto him as a daughter.4 And there came a traveller unto the rich man, and he spared to take of his own flock and of his own herd, to dress for the wayfaring man that was come unto him; but took the poor man's lamb, and dressed it for the man that was come to him.

5 And David's anger was greatly kindled against the man; and he said to Nathan, As the LORD liveth, the man that hath done this thing shall surely die:) **please find out who is the traveller**

(Devil dwells in the body with the soul . It can also be said.(The man of God and the devil dwell together. soul+devil) ***(Qur'an Chapter 95. Suratutteen 4,5 4.We created man in the best design.5. Then reduced him to the lowest of the low.)***

As the wife and husband are bound by the law of the husband, so the soul and the sin are bound by the law of sin. Just as a woman gives birth to children under the law of the husband, so the soul produces sinful natures under the law of sin. (The wife only has the power to give birth to her own husband's child. Likewise, the soul only has the power to produce the nature of sin. A woman's freedom from the relationship that gives birth to children occurs when the husband dies. Similarly, the soul's freedom from the relationship that gives birth to sin occurs when the body (sin, the devil) dies. The human soul and the body die because of sin; is destined. But he who, while still alive, accepts this death penalty with Christ who died for sin, the body dies and is rejected like a bad thief, and the soul is saved by confessing like a good thief. Just as the husband dies and the wife becomes another person and gives birth to children, sin dies and the soul becomes Christ's and gives birth to the divine nature. (As the devil and the soul are bound by the law of sin, Christ and the soul are bound by the law of love, that is, by the Holy Spirit.

God's purpose is that the death of the body (sin) be with Christ. God binds up the wounds of the one who made the wound. There is nothing wrong in the fact that the one who made man inferior took

the punishment for it. God imprisoned man under sin; God reveals Himself and executes the judgment of sin as a punishment on the cross.*(Psalms 9:16 Jehovah has revealed himself and executed judgment; the wicked is caught in the work of his own hands. Strings. Selah.)*

That is the death of Jesus and the judgment for sin. Through it the human race was justified. Nothing written above is acceptable to anyone's human intellect. May God himself open the mind. Be able to believe the irrational. May he be saved.
(1 Corinthians 1:21 In the wisdom of God God was pleased to save those who believe through the foolishness of preaching because the world through wisdom does not know God.)

From the time the wife and husband are joined by the husband's law, they have become one flesh according to the Word.*(Genesis 2:24 Therefore a man shall leave his father and mother and cleave to his wife; and they shall become one flesh.Genesis 5:2 He blessed them on the day of creation and named them Adam.)*

But just as there are two persons in one body like this, so there are two persons in the human God. When the wife and husband are guided by the husband's law, they must live in one spirit. It is the human spirit of husband and wife.

(1)Soul+body+law of the devil+(human spirit)------> sinful nature
(2)wife +husband+law of husband+(sex)-------> children

Similarly, when two persons in God (Father and Son) are united in love, their Spirit is the Holy Spirit. The God of Israel shows us what

righteousness is through sin. Just as sin unites with the human soul and empowers the human organs to commit sin, so the soul unites with the Holy Spirit and empowers the human organs to do good. It only happens to those who have accepted the faith that Christ has taken away sin. This is the God-given way of life called faith.

There are three levels in a woman's life cycle. At first she lives without sex under the care of her father. Second, she lives sexually under the protection of her husband. Thirdly, she is freed from sexual intercourse under the protection of her son. It leads to the soul through the unfolding of the woman's life. The soul with God the Father, the soul with the devil, and the soul with Christ live in three states.***(John 8:36) 'If the Son makes you free, you will be free indeed (from sin)'.***

Just as man has two persons and one soul, God has two persons and one soul.

(Spirit+Body+Human Spirit=Human. It is singular. That is, a combined one.
Father + Son + Holy Spirit = God. It is singular. That is, a combined one.)

If man is a trinity, God is a trinity. If not, then not. There are no three persons in it. There are only two people in it.

(The Father dwells in the Son. The Son dwells in the Father. The spirit dwells in the flesh. The flesh dwells in the spirit. Adam dwells in Eve. Eve dwells in Adam.)

God has two aspects in relation to man. One is fully divine and the other is fully human. God brings man to full humanity. The full human nature and the full divine nature were united in Christ. Best regards

(Behold, I was born in iniquity, and in sin did my mother conceive me. What you desire is the inner truth; Make me understand wisdom in the innermost;Psalms 51:5)

11.Conclusion:-

The idea of God, which takes from where it was not placed and gathers from where it was not scattered, can be seen in the man who emanates the divine nature. The divine nature does not emerge in man as birth instincts. God does not like the human act of doing good along with sin from the recognition of good and bad through religious and moral life study. But the man who walks through God's wondrous plan to bring forth the divine nature from faith in Christ—through the New Testament—will pass into glory at the end. For the salvation of mankind, God was pleased to save those who believe in the foolishness of the preaching of the wonderful, gospel message that Jehovah God gave through His Son. ***(1 Corinthians 1:21 In the wisdom of God God was pleased to save those who believe through the foolishness of preaching because the world through wisdom does not know God.)***

Appendix:-

1. A fornicating and adulterous generation: Mankind carrying out the law of sin through the organs, while the law of God is in the mind.

2. Adulteress: soul (wife) who produces evil nature (child) through intercourse with devil (another man) while God (husband) is still alive.

3. The cup: Jesus delivered himself into the hands of the transgressors. (He drank this cup from there.) Just as God did not hand over the righteous Jesus to death, God does not hand over any sinful man to the cross for atonement today. Every man must cast off his religious opinions, whether of Judaism, and give himself (the cup) to death on the cross. Salvation of the soul is only with the human participation of faith in Jesus Christ. The will of Jesus, that the Abba Father, who is able to do all things, should give Himself up to death, submitted to God's will that Jesus should give Himself up to death. Read his words and sorrow. (Matthew 26:38-40, Mark 14:34-36).

4. Baptism: Death, Burial, and Resurrection. (Jesus was baptized.) As Jesus' death, burial, and resurrection took place, every human being died on the cross, was buried, and was resurrected (faith) to live for God. The words of Jesus to his disciples are as follows: ('Jesus said to them: the cup that I drink you will drink and the baptism that I receive'. Mark 10:39) God's law applies to Christ as it applies to all people. Likewise, the same method of Christ's atonement applies to all men. (Hebrews 9:27,28)

5. Death and Resurrection: Man's atonement is likened to Christ's death and resurrection. It is not that in itself. Because it hasn't

happened. So it is faith. (Foolishness) He spoke through parables. (Matthew 13:35) Is not the mustard and the needle's eye in the Lord's words the mustard and the needle's eye that we see?

6. Body and Blood: Symbols in the Ministry. The food items used are not in themselves. (A word or a computer is not evil in itself. But it becomes what it is used for.) So is the body and the blood by faith.

7. Hideout: Through each of the Old Testament parables and events, God shows the character of Christ. In detail, in the BIBLE God begins with sin and leads to righteousness. In the language of Paul, it is as follows. (But not the spiritual but the primitive is the first; The spiritual comes later. 1 Corinthians 15:46) With the death of the exemplary "foolish" Nabal, the "wise" Abigail is replaced by King David. That is, with the death of the husband (Nabal) of the flesh, the wife (Abigail) of the spirit is made the king of Christ (David). (1 Samuel 25:40-42) 40 David's servants went to Abigail in Carmel and said to her: He has sent us to you to take you to be David's wife. 41 And she rose up and bowed her head to the ground, and said, Behold, the servant washes the feet of his master's servants. 42 Immediately Abigail got up and rode on a donkey with five of her maidservants and went with David's messengers and became his wife.)

8. Foolishness: Unintelligible.

9. Belief: Something that is necessary because of not seeing.

10. Reliance: What is seen.

11.Intelligence and Reason: Accepting only by seeing.

12. Flesh: A body with sinful tendencies. (dead)

13. Body: living flesh.

14. Testament: Mutual agreement between two persons.

15. Contract: An agreement made by one person only.

16. Sin: Devil, sin.
17. Shrewdness: A sinful man.
18. Sukshambuddhi: A prudent man.
19. Wisdom: Knowledge of matter.
20.Knowledge: Ability to do things. Knowledge of the Holy One. wisdom
21. Brother(s): Those who have the Holy Spirit and steadfast faith.
22. Sons of God: Those who carry the Spirit of God.
23. Atonement: The power of the Holy Spirit that God gives to man before starting divine services.
